Book Fair Results

Thank you to all our Book Fair participants! For a school our size, this has been a very successful fair. There were over $2,000 in total sales with a profit of over $1,000 that will be used by NCA teachers to order classroom books. Your donations to teacher wish lists are also sincerely appreciated. Thank you for your support! This book fair would not have been possible if not for the support of our families. A very special thank you goes to Jennifer Storm who volunteered to run the book fair!

Donuts with Dad - Thank You!

Thank you to all our NCA dads, grandpas, uncles, and special people who came to our donuts with dad event the week before spring break. A very special thank you goes out to Angel Allan who helped organize the event and to all those who donated items. This event would not have been such a success without our NCA family!

Call News

March 15 Mr. Mattes received a divine call to serve as principal at St. John's Lutheran School in in Milwaukee, WI. This call comes not because Mr. Mattes requested it, but because he was considered among other candidates as a match for the needs of their ministry. Mr. Mattes continues to prayerfully consider the ministry opportunities before him and come to a decision as to where the Lord would have him serve next school year. Your comments are welcome.
