

Northdale Christian Academy
Optional VPK Supply List

Dear Parents,

As we prepare for our year in VPK together, there are classroom items that help our class run more smoothly. As a VPK student, your family is not obligated in any way to provide these items, but if you would like to donate to our classroom, these are the suggested supplies we will be using the most. I will be sorting the art supplies into individual art boxes for each child to decrease the amount of items that children will be sharing. Thank you for considering!
