Week 11

2021-2022 School
Year Theme

Academy Moving Completed

Starting October 25, we will be following a new routine:

- Grades K-8 classrooms will be in the main academy building
- Grades K, 3/4, and 5/6 will be transitioning to new classrooms
- Kindergarten will drop off/pick up at the main academy building
- The main academy building aftercare room will be the new library/resource room (second door on the right)
- The parking lot flow will remain the same, but be aware that more families will be dropping off/picking up at the main academy building. Your patience is appreciated as vehicles wait their turn to pick up/drop off. Please do not pass other vehicles in line while they are loading/unloading children. This is a safety hazard.

Thank you to the many families who helped move, clean, and paint classrooms last week. We are excited to begin our new routine.

Report Cards & Attendance

The first quarter of the school year came to an end October 12. Report cards are available online by accessing your [TADS Educate account](#) and print copies are being sent home Monday, October 25. Along with printed report cards will be a quarterly attendance report. Please note that students will serve an after school detention for every fifth tardy per quarter. There will be a \$12 charge per student for each detention served ([handbook](#) p.20). Each family can monitor their child's attendance through their [TADS Educate account](#). Please contact the office if you need any assistance accessing your TADS Educate account.

NCA families can review the current [health and safety plan at this link](#). This plan was recently updated at the October 11 School Ministry Board meeting. The following changes go into effect October 25:

- Parents/guardians now have the choice to continue sending their child(ren) to school if they have been exposed to a COVID-19 positive case (as long as they continue to be asymptomatic) or quarantine for no more than 7 days.
- Discontinue daily temperature checks as students are dropped off at the beginning of the school day.
- Resume weekly in-person chapel for grades K-8.

You can reference the [October 14 communication](#) for additional details.

Piano Lessons

Piano lessons begin this week. If you signed up and your child qualifies for piano lessons at this time, you should have received an email with the piano lesson schedule. Please contact Mr. Mattes if you have any questions.
