Current Scholarship Families Intent to Continue Process Now Open

Families with a student benefiting from the following scholarship programs for the 2021-22 school year may complete the "Intent to Continue" process (previously referred to as the "renewal" application) to secure their student's scholarship for the 2022-23 school year NOW:

- Florida Tax Credit Scholarship (FTC)
- Family Empowerment Scholarship for Educational Options (FES-EO)
- Family Empowerment Scholarship for Unique Abilities (FES-UA)
- McKay Scholarship

Applications for new families will be available in the near future. Reminder: The FTC, FES-EO and FES-UA programs are once-in, always-in meaning students who utilized the scholarship for the 2021-22 school year (including McKay students) will NOT need to submit documents to demonstrate their eligibility AND will have funding priority. Check your email for additional directions or access your online account at <https://www.stepupforstudents.org/>. **Please email or provide a copy of your scholarship award letter to NCA once it is received.** This will be needed to apply the scholarship to your 2022-2023 financial agreement.
