

**Whatever is true, whatever is noble, whatever is right,
whatever is pure, whatever is lovely, whatever is admirable—
if anything is excellent or praiseworthy—think about such things.**

Philippians 4:8

Week 6

September Parent-Teacher Conferences

We believe a strong parent-teacher partnership is essential to Christian education, and we're looking forward to strengthening that partnership by meeting with you. Conferences for 3K through 8th grade will be held, September 19-23. Topics covered will include assessment results, academic and behavioral progress, and any questions you have for us. Please click the [SignUpGenius link](#) to sign up for your parent-teacher conference(s). We are asking that all families schedule a conference with their child(ren)'s teacher(s). Conferences last about twenty minutes, but they are scheduled in twenty-five minute blocks. Only one student may be signed up for each time period. The conference will be held in your child's classroom. If none of these times work for you, please contact the teacher to make other arrangements.

Communicating Christ!

Our Christian faith is the center of everything we do here at Northdale Christian Academy. **Starting Tuesday, September 6 at 7:00 PM, Pastor Guse will lead a Communicating Christ Course** so parents can come and find out what believe and teach at Northdale Christian Academy. The course will be held on Tuesday nights and kept to one hour. It's not too late to join us. For more information or questions, contact Pastor Guse: 920-517-9000 call/text or by [email](#).

Project/Event Survey

NCA is looking for leaders and helpers to get involved with various activities this school year. Please complete the [online project/event survey](#) to share your interests.

Mission offerings to support Christians in Ukraine.

This week \$15.00

Total \$134.50

Thank you for your generous support of this year's mission project!

Yearbook Club

Students in grades 7 and 8 are invited to join NCA's yearbook club. The first meeting will be Wednesday, September 21 after school until 4:30 PM. At this meeting students will find out what roles need to be filled for assembling and editing the yearbook. Students will also learn photography, layout, and editing skills. Come to our first meeting to learn more.

2022-2023 Yearbook Orders

Now is your chance to place an order for your 2022-2023 yearbook for 10% off the full price. Go to [TreeRing's website](#) for NCA. You may be prompted for NCA's passcode: 1012825684781753. Check out the flier on page 5 of this newsletter for more information. Just because you order your discounted copy now does not mean you have to complete the custom pages at this time. Place your order by September 30 and save 10%. Thank you to Chanele Herrin for taking the lead with the yearbook!

Intramural Kickball (grades 3-8)

The schedule has been updated again after Thursday's rain out. Students may bring a [paper copy](#) home or you can see it by visiting [NCA's online calendar](#).

Kickball Day Field Trip (grades 3-8)

This Friday is the tournament. We will be leaving the school by 8:15 AM and we will return around 3:00 PM. The location will be **Central Ridge District Park in Beverly Hills (6905 N Lecanto Hwy, Beverly Hills, FL 34465).**

Pumpkin Run Group

Our first group run took place and we had 6 people attend. Adults and children are both welcome. If you want to register for the YMCA Pumpkin Run please follow the [link](#). If you want a more in depth training, please see the [attachment](#).

Love & Logic

The Love and Logic approach to parenting is built around the science of crafting caring and respectful relationships. An authentic, loving connection between parents and their children is the root of a healthy, thriving relationship built on trust and understanding.

Sounds easy enough but never before in history have parents been faced with so many challenges! The Love and Logic approach provides a variety of simple and effective strategies for parenting children from birth to adulthood. Whether you're embarking for the first time with your new baby or navigating the turbulent teens with your youngest, our strategies and techniques will help you create calm and loving solutions.

The "Love" in Love and Logic means that we love our kids so much that we are willing to set and enforce limits. This "Love" also means that we do so with sincere compassion and empathy.

The "Logic" in Love and Logic happens when we allow children to make decisions, afford mistakes and experience the natural or logical consequences. When we balance this with sincere empathy, they develop the following logic: The quality of my life depends on the quality of my choices.

With the loving yet powerful tools of Love and Logic, we can help our children learn to make good choices and experience happy lives while maintaining their love and respect. You can learn more by visiting www.loveandlogic.com. You can also sign up to receive weekly free tips, inspiration and special offers to help you strengthen your relationship with the kids in your life by joining the "Insider's Club" on the website (bottom of the homepage).

Piano Lessons

Piano lessons with Bridget Harrison will start September 6. Parents of students taking piano lessons received an email September 1 with an updated schedule, payment, and other lesson details.

MAP Testing: This week! We will plan on doing the reading MAP test on Tuesday morning and the math MAP test on Thursday morning. All you need to do is make sure your child gets a good night of sleep and a healthy breakfast. Encourage them to take their time and do their best. That's all. 😊 I look forward to sharing these results with you next week during conferences.

Ask your child about: (these are great conversation starters to learn about their day)

- The Maidu of California (acorns, Bear dance, earth homes)
- Abraham and Lot
- Show and tell - it was a lot of fun!
